

Pot Pie Baking Instructions:

1. All ovens cook differently, adjust temperature as needed.
2. Pre-heat your oven to 375° Fahrenheit.
3. Remove packaging and place frozen pot pie on sheet pan (in case filling over flows).
4. We recommend whisking an egg with a fork and lightly brushing the top crust of your pot pie.
5. Bake pie until lightly browned and bubbly (Approximately 40-60 minutes).
6. Remove from oven and cool on a cooling rack.
